CAREER OBJECTIVE

Looking for a challenging career that enables me to apply my professional, technical, analytical, and **AI-driven creative** skills while continuously expanding my knowledge, enhancing my expertise, and contributing to organizational growth.

EXPERIENCE

Senior Graphic Designer | AlonOS

November 2025 – Present

My responsibilities include:

- **AI-driven** branding and **visual identity** design.
- Advanced **AI prompt** creation for images and **video content**.
- **Corporate presentations** and marketing asset design.
- **Branding materials, standees, and campaign creatives**.
- LinkedIn content, carousels, and **visual storytelling**.

Senior Graphic Designer | ImpactQA

March 2023 to October 2025

My responsibilities include:

- Website design and visual optimization.
- Photoshop and Illustrator-based graphic design.
- Digital ads and marketing creatives.
- Social media content and branding.
- Video editing, motion graphics, and animation.
- Data visualization and print design.
- Team collaboration and timely project delivery.

UI/UX - Graphic Designer | Optimal Virtual Employee

April 2021 to March 2023

My responsibilities include:

- Designed end-to-end user flows and UI mockups for multi-platform applications (including Food Delivery and Courier service apps for both user and driver interfaces).

STRENGTHS

Determined to learn with practical approach.
Good communication skills.

ACHIEVEMENT

Received the Pinnacle of Creativity Award in 2024 at ImpactQA.
